

## **Mezzanines :**

### **In need of More Space?**

Discover a wealth of new functional space within your existing building. Cogan Mezzanines can increase your work space at a fraction of the cost compared to expanding your building or investing in a costly new location.

Cogan Mezzanines are designed to create additional storage or work areas, transforming unused overhead space into a safe and profitable storage or work area. Every Cogan Mezzanine is specifically designed and engineered around the existing layout of your building providing the accurate height, surface area and load requirements to meet your specific needs.

### **There are advantages in choosing Cogan.**

- Cogan has been a **Leading Manufacturer since 1901**. Over 100 years of manufacturing experience goes into every product Cogan makes providing the Material Handling industry with quality innovative products at the most competitive prices.
- Cogan uses only the best quality materials and workmanship along with the latest technology. The Cogan **“Hybrid Mezzanine” design** combines the advantages of long span capability using structural I-Beams and the increased low cost efficiency of single and back to back c-channels giving you optimum performance at the pricing you can afford.
- Every Cogan Mezzanine is supported with complete on-site **“Turn-key Service”** from design stage through completed installation through the support of our nationwide network of Authorized Cogan dealers and Cogan field representatives. Our team will measure, design, manufacture and install your Cogan Mezzanine to your complete satisfaction!
- Each and every Cogan Mezzanine is backed by our **“Lifetime Structural Warranty”** giving you the assurance and peace of mind throughout the lifetime of your product.

**Whatever your warehouse or storage needs, Cogan Mezzanines are the ideal and affordable solution to get the most of your existing useable space.**

**Our Team look forward to providing you with a product and level of service that will reflect the quality and tradition that you expect from Cogan.**
